

# **TTF Background**

### **CREATING HEALTHY COMMUNITIES SINCE 1982!**

Since 1982, the Texas Trees Foundation (TTF) has served as a catalyst in creating a new green legacy for Texas through transformational, research-based plans and programs that educate and mobilize the public to activate the social, economic, environmental, and health benefits that trees and urban forestry provide for a better quality of life.

The Mission of the Texas Trees Foundation is to preserve, beautify and expand parks and other public natural green spaces, and to beautify our public streets, boulevards and rights-of-way by planting trees and encouraging others to do the same through educational programs that focus on the importance of building and protecting the "urban forest" today as a legacy for generations to come.

## **TTF Accomplishments**

**Education Outreach** 

### Growing within the Environmental Community

The TTF provided **25** presentations to **1,215** participants about **proper** tree care, the importance of our urban forest and improve one of the extreme urban climates in the United States.

### **Cool Schools & Community Parks**

**City Park Projects** 

Growing Park Access within the City of Dallas

The TTF partnered with six schools in the City of Dallas Parks and Recreation Department with a goal to bring park access to within a ten-minute walk from every Dallas neighborhood.

# **TTF Awards**

Growing within our Parks

The TTF led **36 tree** plantings across North Texas parks while also responding to recent disasters by replacing those trees lost in the storms.

**2021 American Institute of Architects Dallas** Community Honors Award - SWMD Streetscape Transformation Plan

**2020 Greater Dallas Planning Council (GDPC)** Mark Goode Pioneer Award – Janette Monear

2017 North Central Texas Council of Government's Celebrating Leadership in **Development Excellence (CLIDE)** TTF Cool Schools Program
